Mr. J. W. King. member,  
Board of Trustees,  
Miami Fire Department,  
Miami, Arizona.

My dear Sir:

In reply to your letter of the 7th inst. addressed to the Attorney General, I advise you that all moneys in the "Firemens' Relief and Pension Fund" should be kept by the city treasurer in a special fund, and disbursed only upon order of the Board of Trustees of the Fund.

The treasurer, as such, is responsible for the safe-keeping of the fund, and in the absence of any specific authority authorizing the investment of such fund, it is my opinion that no part of any such fund should be used to cash warrants issued by the city.

Very truly yours,

Attorney General

By Assistant Attorney General.
